

FREQUENTLY ASKED QUESTIONS

WHAT WERE THE MINISTRY PLANS BEFORE US THAT LED TO THE CAMPAIGN?

As we continued to experience God's hand on our ministry in the past, we saw an ever increasing need to enhance and add new ministries to meet the growing challenges before us. We determined that, we needed to bring our facilities in alignment with our ministry needs for today and the next step of our future.

WHY NOW?

We've reached capacity in several key areas of our current facilities and God continues to bless us with more people seeking to be a part of Fellowship of the Rockies. The F.O.R. NOW! Capital Stewardship Campaign will allow us to remain in the current location and make significant upgrades, retire debt on adjacent property and enhance and expand the church facility to support God's Vision for Ministry. At the present rate of growth, our current situation clearly called for immediate action!

HOW ARE THE FUNDS BEING RAISED?

We asked individuals in our church family to make a commitment during our F.O.R. NOW! Campaign to give above and beyond their current giving profile. Through the gifts and obedient hearts of the church family, God will provide and bless.

HOW WERE THE ORIGINAL COMMITMENTS MADE?

We asked that commitments be made weekly, monthly, or annually over a three-plus year period. Commitment cards were signed at the Celebration Event on Sunday, October 29th, 2006. Some were also led to give non-cash gifts such as real estate, stocks, bonds, coins, jewelry, boats, cars, etc...

HOW CAN I HELP AS A NEW ATTENDEE/MEMBER OF F.O.R.?

While the original commitments to the F.O.R. NOW! Capital Stewardship Campaign were very generous, there still remains a need to reach our goal. You will be contacted by the Follow-Up Team and we urge you to prayerfully consider a commitment to the campaign at this time.

CAN I SEE THE BUILDING PLANS AND ASK QUESTIONS PRIOR TO MAKING MY COMMITMENT TO THE "F.O.R. NOW! CAPITAL" STEWARDSHIP CAMPAIGN?

Yes, the plans can be seen on the F.O.R. website or the plans are available in the church annex. Also, a member of the building committee, Follow-Up Team or a Trustee can be contacted to answer questions and explain how the building plans support the vision God has given our church.

WHEN IS THE PROJECT TO BE COMPLETED?

We anticipate having the project completed 8-12 months from the start date.

On Commitment Sunday and the period just after, \$1,750,000 was pledged toward our goal of \$2,225,000.

WILL MONETARY COMMITMENTS BE MADE PUBLIC?

No. Absolutely not.

WHAT IF I MOVE?

Many people who move choose to continue to fulfill their commitment.

CAN COMMITMENTS BE CHANGED, IF NECESSARY?

Yes, you may either increase or decrease your commitment at any time the Lord leads.

WHAT IS EXPECTED OF ME?

To be informed, to be involved, to be in prayer.

SUMMARY

F.O.R. NOW! is a Faith Journey to reach out to our church and community through financial gifts while expanding our ministries through additional needed space.

THE GOAL: To seek God's will, committing to give sacrificially over and above our regular giving for the next three + years, while fulfilling Fellowship of the Rockies' mission/purpose statement: We exist to lead individuals into a life changing relationship with Jesus Christ while being embraced by a community of believers.

THE CHALLENGE: To provide a functioning, appealing and accessible facility in which to carry out the Vision God has given to the leadership of F.O.R. We wish to meet the growing needs in our church family and those in the community we have not yet reached by way of much needed expanding, upgrading and facility improvements.

THE PROPOSAL: A \$2.25 Million Capital Stewardship Campaign.

OUR PART: Pray and seek God and His will, fulfilling that which He has challenged us to do, faithfully and sacrificially.
