Christian Mission Statement

To provide a meaningful early childhood education experience where each child is nurtured to learn, develop and grow as a child of God.

Educational Philosophy

Fellowship of the Rockies believes each child is a unique gift from God and should be respected and taught as an individual. Age appropriate learning experiences allow children to progress at their own pace and experience success as they develop mentally, physically, spiritually, socially and emotionally.

We believe in:

- Supporting a growing relationship with Jesus Christ by teaching about and modeling Jesus' love in an age-appropriate environment.
- Building loving, nurturing relationships between Christian educators, children and their families
- Providing curriculum and policies that reflect the diversity of children and families in our community and the world around us.

Our staff is made up of dedicated individuals with a love for children. Our director, Mrs. Lori Taloumis, has 20 years of experience teaching, a bachelor's degree in Elementary Education and a master's degree in Early Childhood /Special Education. She has her certification as a childcare director through the state of Colorado. Our staff members are fully qualified as teachers and assistants. All staff participate in early childhood training, staff development, as well as CPR and first-aid training.

Students

Our class size is limited to 12 children. There is one teacher and one teaching assistant in each classroom. The children will play in activity centers, develop cooperation, listening and creativity skills, move and sing to music and learn beginning reading and math skills. A Bible story will be introduced with each unit of study.

The 3 years olds must be 3 by 10/1/10. However children with Sept. 1 – Oct. 1st birthdays will enroll after their birthday due to the state licensing "Age 3" requirement.

All children entering the Preschool must be toilet trained. We ask that parents sign up to provide morning snacks for a week at a time on a rotating basis. We are a peanut-free preschool due to allergy concerns.

Registration

To enter the program you must have a copy of your child's birth certificate and a completed enrollment form. Prior to starting school, your child must have an immunization record signed by a physicians' office and a current health form with a physical signed by a health professional and turned in to the preschool.

A nonrefundable Registration Fee of \$75 is due at the time of registration. Registration forms may be picked up at the church office, by calling 633-4659.or on our web site www.forcos.org.

Tuition Rates (2010-2011)

The 3 day a week program is \$200 monthly. A 2 day a week program is also offered for three year olds for \$170 monthly. We do offer a \$20 discount for a second child if two siblings are enrolled in our preschool.

The tuition rates are based on 9 monthly payments for the school year. The last tuition payment for May is actually due by July 1 prior to the beginning of the school year to assure your upcoming enrollment. When a child is enrolled we assume it is for the entire year and our budget is planned accordingly.
